FOREWARD

This reference manual is a composite of responsibilities and obligations for those who serve as a District Governor of a sub-district in Multiple District 22.

The procedures covered are either dictated constitutionally, and are so identified, or are a continuation of an acceptable procedure that has become a tradition by continued usage.

Lions Clubs International provides each District Governor with the tools he/she will need to organize his/her sub-district. However, you will find participation in the Council of Governors an experience that is totally new. No prior introduction to Multiple District leadership is provided other than through our Candidate School, and this manual.

Committee Chairs Selection Criteria

It is most important that the Lions selected to serve with the Convention groups be permitted to continue from the entry position to the Chairmanship.

Multiple District 22 Lions Vision Research Foundation, Inc.

The Multiple District 22 Lions Vision Research Foundation, Inc. is a project in which the responsibility is shared equally by all five District Governors. The Foundation is a separate entity from the Council of Governors. The District Governors responsibility starts when he/she is elected Governor and ends when the term ends.

Each Governor is automatically a voting member of the Board of Trustees for the term of the Governorship. He/She will, along with the three elected members from the District, represent the District at all regular bi-monthly meetings of the board and at all special meetings of the Board. The Immediate Past Chairman of the Foundation and the Chairman of the Council of Governors shall also be voting members of the Board of Trustees.

As a member of the Board of Trustees and the Council of Governors simultaneously, the Governor is in a key position to promote and further the growth and involvement of the Foundation. The Governor should also include information about the Foundation in his/her message on Official Visits to the clubs in the respective District and at all other appearances, where appropriate.

The Board of Trustees consists of 21 Lions members from active clubs in Multiple District 22, three members from the Wilmer Ophthalmologic Institute at the Johns Hopkins Hospital, and the Immediate Past Chair of the Board.

The Executive Committee, consisting of the Chair, the Vice-Chair, the Treasurer, and the Secretary, except that the Secretary and Treasurer need not be Trustees are elected by the members of the Board at the Annual Meeting held in May of each year. A Secretary or Treasurer who is not a Trustee shall not have a vote on the Board of Trustees.

Each year, prior to the Multiple District Convention, the Governor and Honorary Committee elect a new member to replace the retiring member of the Board from the District. The new member is elected for a period of three years.

Much of the success of the Foundation will depend on how the District Governor pulls his/her District together as a unified group working toward one Multiple endeavor.

The purposes of this organization are to advance Lionism within the Multiple District in accordance with the Objects of Lions Clubs International, to bring greater strength to the Lions Clubs in the Multiple District through unity of effort, and to provide proper administration to achieve this objective.

AUDIT AND MONETARY CONTROLS

The Council of Governors shall exercise authority as covered in Article V, Section 5 of the Multiple District Constitution. As the elected officials for the Council of Governors, the Council Chair, Council Secretary and Council Treasurer shall exercise duties as specified in Article II, Sections 1-3 of the Multiple District By-Laws.

Continuous cooperation and coordination is required between the Council officials and their counterparts of the sub-districts to administer and maintain proper monetary controls. All funds must be administered and controlled by proper bookkeeping standards. All monies received and all monies distributed must be supported by validly executed vouchers. See Appendixes 8 and 9.

The Council Treasurer should be satisfied that the agency or individuals utilized for audit purposes are acceptable by the standards specified in the Multiple District Constitution and By-Laws.

The Multiple District 22 Council Treasurer, Multiple District 22 Convention Treasurer and the Multiple District International Convention Treasurer will be bonded each year in accordance with Multiple District 22 By-Laws Article II Section 1. All other monies and expenditures will be controlled by the Council Treasurer utilizing a voucher and receipt for each expenditure.

Rules of Audit

1. Three authorized signers on all accounts, one of whom shall be the Council Treasurer.
2. Two signers on all checks.
3. The individual seeking such reimbursement can sign no check for reimbursement of personal expenses. The two other authorized signers must sign these checks.
4. One common auditor is to be used for all Multiple District financial accounts.
5. No check may be written to “cash”
6. A written financial report, with vouchers, shall be submitted at each Council Meeting.

Budget Formulation

Budgets must be prepared – based on an overall view and analysis of requirements, order of priority, and finally methods of financing the activity for the coming year. The foremost item to keep in mind is the prime requirement of the Multiple District Constitution.

Article II, Section 1f of the By-Laws provides “With respect to each Multiple District Fund; establish monetary controls so that no indebtedness shall be planned for, or budgeted, that would cause the budget to exceed the anticipated receipts for the fiscal year of the Council’s term”.

Article II, Section 1g states “With respect to each Multiple District Fund, the Council of Governors of the Multiple District shall make available to the Committee charged with the administration of each fund and/or activity that portion of the Multiple District dues allocated to each fund and/or activity, plus any fees, ticket sales, tail-twister fines, and other miscellaneous income resulting from the activities of the Committee in administering the fund and/or activity. At the discretion of the Council of Governors an amount up to, but not exceeding, 20% of the accumulated balance of the General Administrative Fund may be turned over to the appropriate committees”.

It must be noted that funds held in reserve for the support of a candidate for International Office, sponsored by Multiple District 22, shall be exempt from Article II, Sections 1f, 1g, and 1k of the By-Laws.

The approved budget and the report referenced in sub-paragraph 1f, above must include the monies required to prepare and deliver the required reports for the outgoing council.

“Administrative Fund” – Article II, Section 1j of the By-Laws. The Council of Governors shall establish a budget within the confines of dues collected under Article VI of the Constitution for the current fiscal year (July 1 to June 30) to provide for:

- Stationary, printing and postage expense;
- Expenses of Council Meetings;
- Blanket Bonding;
- Annual Report preparation and distribution;
- Other normal administrative expenses of the Council.”

Also, to be included in the Administrative budget is funding for the office of Council Chair. The Council Chair is to be reimbursed per the same Rules of Audit as the District Governors for the annual meetings the Council Chair is required to attend and other expenses as defined on page 22 of this Manual.

No expenses other than those enumerated above shall be included in the Budget nor expended unless and until this By-Law Article VI, section 1j has been amended by the delegates to a Convention of the Multiple District, and shall only be effective for those years following the approval by Delegate vote at Convention.

All planned expenditures in the sub and Multiple District should have as base, the current revenue derived from the dues paid by the individual clubs and club members. Additional revenues should be gained in a proper and legal and well-planned method of financing by adding:

- Sale price of tickets to various affairs
- Gaining revenues from advertising methods which are in keeping with Lionistic approaches

- Sub-Districts gain their operational funds from the present dues structure that allows them to collect and disburse from Administrative Funds.
- Dues shall be collected from each member of the sub-district in an amount of not more than \$3.75, as established by the Sub-District Constitution and By-Laws.

Multiple District Funds

At present there are seven funds for use by the Multiple District Council of Governors:

1. Council of Governors' Administrative Fund
2. Funds allotted to the Multiple District Convention Fund
3. Funds allotted to the International Convention Fund
4. Funds reserved for election of an International Officer
5. Membership Fund
6. Extension Fund
7. Auto tag Fund

“When the Multiple District 22 monies are in one interest-bearing account, the Treasurer will prorate the interest by percentage on a periodic basis (monthly or quarterly, etc.), allocating the interest to the individual funds and showing same as interest received for the particular fund.”

The Multiple District Constitution provides methods whereby the Council of Governors may use the excess funds held in the General Administrative Fund to better serve the Lions of the Multiple District. This money should be used wisely and for the best interest of the Lions of the Multiple District.

1. May expend up to but not exceed 20% of surplus funds of the Multiple District General Administrative Fund.
2. By gaining a majority vote of the Multiple District Finance Committee to expend funds from the General Administrative Fund in excess of the 20% limitation.

The authority covering the previously mentioned measures is covered in the Multiple District 22 Constitution Article V, Section 6e and By-Laws Article II, Section 1g

The balance left in the Multiple District Convention fund after paying all of the Multiple District Convention planning and operating expenses shall be turned over to the Council Treasurer prior to the Turnover Meeting of the Council of Governors. The balance will be placed in the General Administrative Fund and used as defined in Article II, Section 1,

Paragraph (g) of the Multiple District 22 Bylaws. The same procedure applies to the Multiple District International Convention Fund.

Expenses

Expenses are an everyday occurrence for businesses, homes and service organizations. The control given by setting guidelines prior to developing the budget will provide a balanced budget. The following controls can and should be used for the administrative budget and also standing committees:

1. No one shall receive free tickets, hospitality cards, free rooms, or any other benefit as the Multiple District Convention except:
 - a) Current District Governors and their spouse/guest;
 - b) Council Chair and spouse/guest,
 - c) Multiple District Convention Committee members and their spouse/guest;
 - d) Current International Director from MD 22 and Guest Speaker and their spouse/guest.

2. Multiple District 22 Chair and others serving on Multiple District Committees or acting in advisory capacities to the Council of Governors shall receive no more than the cost of transportation to any meeting called or authorized by the Multiple District Council of Governors, unless that person would be required to be in attendance at a meeting when an overnight stay would be for the convenience of the Multiple District or the Council of Governors.

3. When required for a lunch to be provided at the Council meetings, due to the length of the meeting, the Council of Governors will only expend monies for lunches for the following individuals:
 - Council of Governors
 - Council Chair
 - Council of Governors Spouses
 - Administrative Assistant
 - Committee persons requested to be at the meeting
 - International Director (if applicable)
 - Past International Officers and Directors

All other Lions would be most welcome to attend, but any expense as to lunch would be the expense of the individual Lion or their sub-District. It is also recommended that the Council of Governors be cognizant as to the general cost of such required lunches in a public facility and therefore try to schedule and plan meetings and that the Turnover meeting be hosted by Lions who operate their own Lions den or a recommended non-profit organization such as a fire house, church or lodge.

PROCEDURE TO SECURE SPEAKERS

The matter of obtaining speakers for the District Convention and the various District Socials is a matter of immediate concern for the newly elected District Governors. What follows are Lions Club International's rules and procedures for securing authorized speakers.

Travel schedules for the various International Officers are being made up many months and years in advance. It is, therefore, appropriate and wise to make speaker contacts well in advance of the election in May or at the International Convention in late June. Even though there may be contests, it is usually known that a particular District Social will be held on a historically designated weekend. Certainly the candidates from that District can agree on a speaker to be invited for an affair, even though the details have not yet been finalized. The sooner a contact is made, the more sure you can be that a speaker of your choice is available. Eighteen months in advance is not too soon.

It is right and proper to try to contact the desired speaker directly. The best and most efficient way to do this is through our International Director, if we have a current Director on the Board, or through one of our Past International Directors. These Lions are knowledgeable, they are aware of travel schedules; they have friends and contacts that can be of assistance in securing speakers. They are pleased and honored to help.

In regard to club anniversaries, the question arises, "We are having a 50th anniversary, who are we entitled to have as a speaker?" The answer is simple – a club is "entitled" to no one for an anniversary party. If there was at some time in the past, there is now no anniversary that entitles the Club to have the President, a Vice President, a Director, or anyone else at such an occasion.

If a Club desires a speaker from the Executive group of Lions Clubs International and does not have the funds to pay a large amount for his expenses, a way can be found, but it takes some cooperation between the Club and the District Governor or District Governors from other Districts. If a Club would have its Charter Party on Friday evening just prior to one of the District Socials and use the same speaker, then the Club would be required to pay only the cost of one night's lodging for the speaker. The balance would be paid by Lions Clubs International or by the District, since the speaker for the District Social would be on an authorized trip. This has proven successful on numerous occasions both in District 22 and even more extensively in other Multiple Districts.

Two or more clubs could also have joint Charter parties and share expenses of a speaker, or clubs from two or more Districts could have charter parties on successive nights, use the same speaker and share expenses.

Any of these arrangements can be worked out, but it takes some planning on the part of the District Governor and the clubs to make it happen. It is not too soon to start the planning now.

Public Relations play an important role by informing the Lions of a visiting guest speaker, whether it is a sub or Multiple District function. Advertising should be in bulletins, newspapers, and programs so that the membership will know whom they are coming to see and hear.

OFFICIAL PROTOCOL

Protocol is an official expression of good manners. The courtesy we show each other in our daily lives affects our attitudes, our work and in turn, how we view ourselves as human beings.

Protocol is respect for the position. Protocol is a form of etiquette. Protocol is nothing more than GOOD MANNERS to an invited guest to your District or Club.

The responsibility to see that proper protocol is followed lies in the hands of the District Governor for Sub-District functions, and the designated Committee Chair for Multiple District functions.

The following information is from “The International Visitor A Hosting & Protocol Guide” from Lions Clubs International (PR 768 750 5/02)

Tips for a Successful Visit

Before the Visit

- Provide advance information concerning
 1. an agenda(make it clear what events your guest is expected to attend)
 2. dress code (formal, business, etc.) for each event
 3. weather conditions in your area
 4. background information (newsletters, bulletins)
- Communicate fully and often
- Keep in mind that the local expenses, including special events (tours, golf, etc.) are the host’s responsibility.

Meeting and Greeting Your Guest

- The Chair of the meeting or convention (council Chair, district governor, etc.) should head the group meeting your guests.
- Plan on meeting your guests at the gate. If this is not possible, plan a meeting place in advance.
- Make sure you are readily identifiable with Lions clothing and badges.
- Plan on carrying your guest’s luggage.
- Make sure your car is large enough to accommodate all guests and their luggage. Many times your guest may have been away from home for awhile and have more luggage than you expect. Having an extra car available in case of extra luggage is prudent.
- If your guests are driving, provide them with complete directions, including a map.

Making the Stay and Enjoyable Experience

- Before your guests’ arrival, handle check in and inspect the room thoroughly. Deal with any problems prior to your guests’ arrival.

- Amenities are always a nice touch – the personal preference sheet sent by International Headquarters before your guests' arrival will give you ideas for these items.
- Prepare a welcome packet with the final agenda for your meeting or convention, information about the area and some regional publications. Also include a list of room numbers and/or telephone numbers for key Lions.
- Once you bring your guests to their room, plan a time to go over their schedules in detail. Review pick up times and proper dress for all events.
- Give your guests time to settle in.
- Appoint a full time host and hostess to the couple. This is usually best handled by a past international director and spouse. This will ensure your guest's needs are taken care of, and that they arrive to events on time.
- Provide some free time for rest in the schedule.

Program Suggestions

- Your guest's address should be the centerpiece of the banquet or event. In most cases, this means directly after dinner and before any entertainment or other presentations.
- Your guest should only be expected to make one major address.
- It is appropriate to present your guest with a gift at the banquet or other major event. Please keep in mind space and travel considerations. A donation in the guest's name to LCIF is always welcome. If possible, offer to mail larger gifts.
- If you expect your guest to assist in giving out awards during the event, make sure a script is prepared, including background information on recipients.

Departure

- Attend to your guests' departure with the same care you gave their arrival. Handle check out for your guests and arrange for baggage pick up.
- Escort them from their hotel room all the way to the airport gate.
- Check that your guests' flight is leaving on time. If there is a serious delay, make necessary transportation and lodging arrangements.

Some Final Notes

- Treat your guests as you would a family member or close friend. Ask yourself: how would I wish to be treated if I was the guest? Act accordingly.
- While a gift is optional, remember that a sincere thank you note is not.

Order of Precedence

The following is the official protocol policy of the International Association of Lions Clubs. Only the principal speaker is required to acknowledge all dignitaries present.

Lions shall be recognized in the following order:

1. International President
2. Immediate Past International President
3. International Vice Presidents (according to rank)

4. International Directors (a)
(Board Appointees)*

 27. Club Treasurers (a)
 28. Past Club Presidents (c)
 29. Multiple District Secretaries (staff) (a)
 30. Multiple District Treasurers (staff) (a)
- Appointees by the International President to committees of the International Board of Directors and the LCIF Executive Committee shall be introduced and otherwise recognized before Lions who have held the same office. During introductions, their appointment shall be mentioned. After their term of appointment is concluded, special recognition shall cease.

Explanation of notes used above:

- (a) When more than one is present, they shall be recognized according to the Roman alphabetic order of the first letter of their fully used family name. If the first letter is the same, go to the second letter, and so on. If the last names are identical, the same process shall be followed with the first given name; if these are the same, then the middle name. In the unlikely event that the two names are identical, the one with the longest association membership shall be given precedence.
- (b) When more than one is present, the one who served most recently is given precedence, and so on.

- (c) When more than one is present, precedence should be the same as for the Past International Presidents (see [b] above). In the event more than one Past International Director who served during the same term is present, then the criteria specified for (a) should be used.

General Comments – When a Lion holds more than one title, he or she shall be recognized for the highest one. In areas that have positions in addition to those listed above, they shall be recognized in accordance with local customs, provided that elective officers always have precedence over appointive ones. It is recommended that Melvin Jones Fellows be recognized as a group. In introducing speakers, their status as Fellows should be mentioned.

Appendix 4

HEAD TABLE SEATING

The presiding officer or meeting Chair must always be seated at the most central seat at the table when there is no central podium, shown as seat number one in the following diagram (Figure 1). The principal speaker would occupy seat number two, then other Lion dignitaries in accordance with the general order of precedence. If possible, there should be the same number of seats to the right and left of the Chair or residing officer (who would normally be the Club President, District Governor, Council Chair or International President).

---	---	---	---	---	---	---

As shown in Figure 2, seating at the head table with a podium is essentially the same, except the meeting Chair or presiding officer is always seated at the left of the podium (facing the audience) and the principal speaker at the right.

When spouses are present, they should be seated to the member's left when on the left side of the table, and to the member's right when on the right side of the table.

Master of Ceremonies and Meeting Secretaries

At some events, the Master of Ceremonies will be someone other than the chair or presiding officer. In such cases, he or she should be seated in accordance with local customs, or at one end of the head table. If, however, his or her place in the general order of precedence dictates a specific seat (e.g., he or she is a past international president at a district function), then that should rule. On rare occasions, there will be a meeting secretary; again local customs should rule.

Multi-Head Tables

If there is more than one head table, the table at the highest level shall be considered the primary one. Care should be taken not to seat Lions of the same rank at different tables.

Head Table Introductions

Introduction of the head table should begin with the meeting Chair or presiding officer, then continue from the person with the lowest rank on the order of precedence to the

person with the highest. When spouses are present at the head table, they should be introduced with the member (e.g. “Past International Director John Doe and his wife “Jane”).

National Anthems

When official representatives of the International Board of Directors (whether or not currently serving on the board) from another country are present at an event where national anthems are normally played, they should also be extended the privilege of having their anthem played.
